Student Council and Librarians

Aid in High School Activities

The student council makes many decisions for the high school student body. They decided this year that homecoming attendants would be chosen from the senior class only. Because of the vote of the student council, season tickets will be sold. It was also decided that in order to hold a high school office a 'C' average would have to be main-

tained. Concessions were divided among the classes. The Student Council is an important high school organization.

This year the librarians rearranged the books in the library so they could be found easier. They are kept busy cataloguing and repairing books.

THE LIBRARIANS ARE David Jones, Lynn Otis, Mrs. Dunlop, Wayne Larick, Sherri Barker, and Leslie Smith.

CHOOSING A class play from a number of catalogues are Kathy Smith, Mr. Staats, Ken Artz, Bill Kline and Clarence Kennedy.

Seniors Choose "Aaron Slick From Punkin Crick"

The senior class chose for their class play a rural comedy in three acts, "Aaron Slick From Punkin Crick." In this comedy an old farmer gets ahead of the city "slickers".

The main characters are Aaron Slick, Wilbur Merridew, Clarence Green, Rosy Berry, Gladys May Merridew, and Little Sis Riggs. Mr. Merridew and his daughter, Gladys May, are visiting on the Berry farm. Merridew buys the farm through a crooked deal which Sis and Aaron find out about. Aaron goes to the city to show them that they can't outsmart a farmer.

Due to publication deadlines casting for the play was not available.

WORKING WITH props and make-up are Richard Morgan, Leonard Rahjes, Barbara Goracke and Cherie Miller. (Not pictured, Sandra Patterson).

When Andrew persuades his trusting millionaire uncle to make him an allowance for the support of a purely imaginary wife and mother-in-law, things really start hopping. He induces his pals, Willie and Harold to masquerade in the women's roles. Thus, amid gales of laughter, the action sweeps on to its climax of comic disaster, when the trio of pretenders are unmasked and get fooled themselves.

BILLING RECEIPTS for advertisements is Ken Artz, our capable Business Manager.

We're proud to have four Juniors working on the Staff this year. They've contributed much and we're extremely grateful to them. Also new is the advertising section and the colored endsheets. Many more pictures give you a much broader view of school life. The school board now has a much deserved place in our annual. You also notice that we've added class pages to give you the academic as well as the social life at A.H.S. With more pages than ever, we hope you enjoy viewing your yearbook as much as we enjoyed putting it out.

LOOKING OVER the shoulder of Art Editor, Cherie Miller, as she draws a cartoon, are Barbara Goracke, News Editor; and Clarence Kennedy, Sports Editor.

WORKING ON the rough draft for the next issue is Chief Editor, Kenneth Artz.

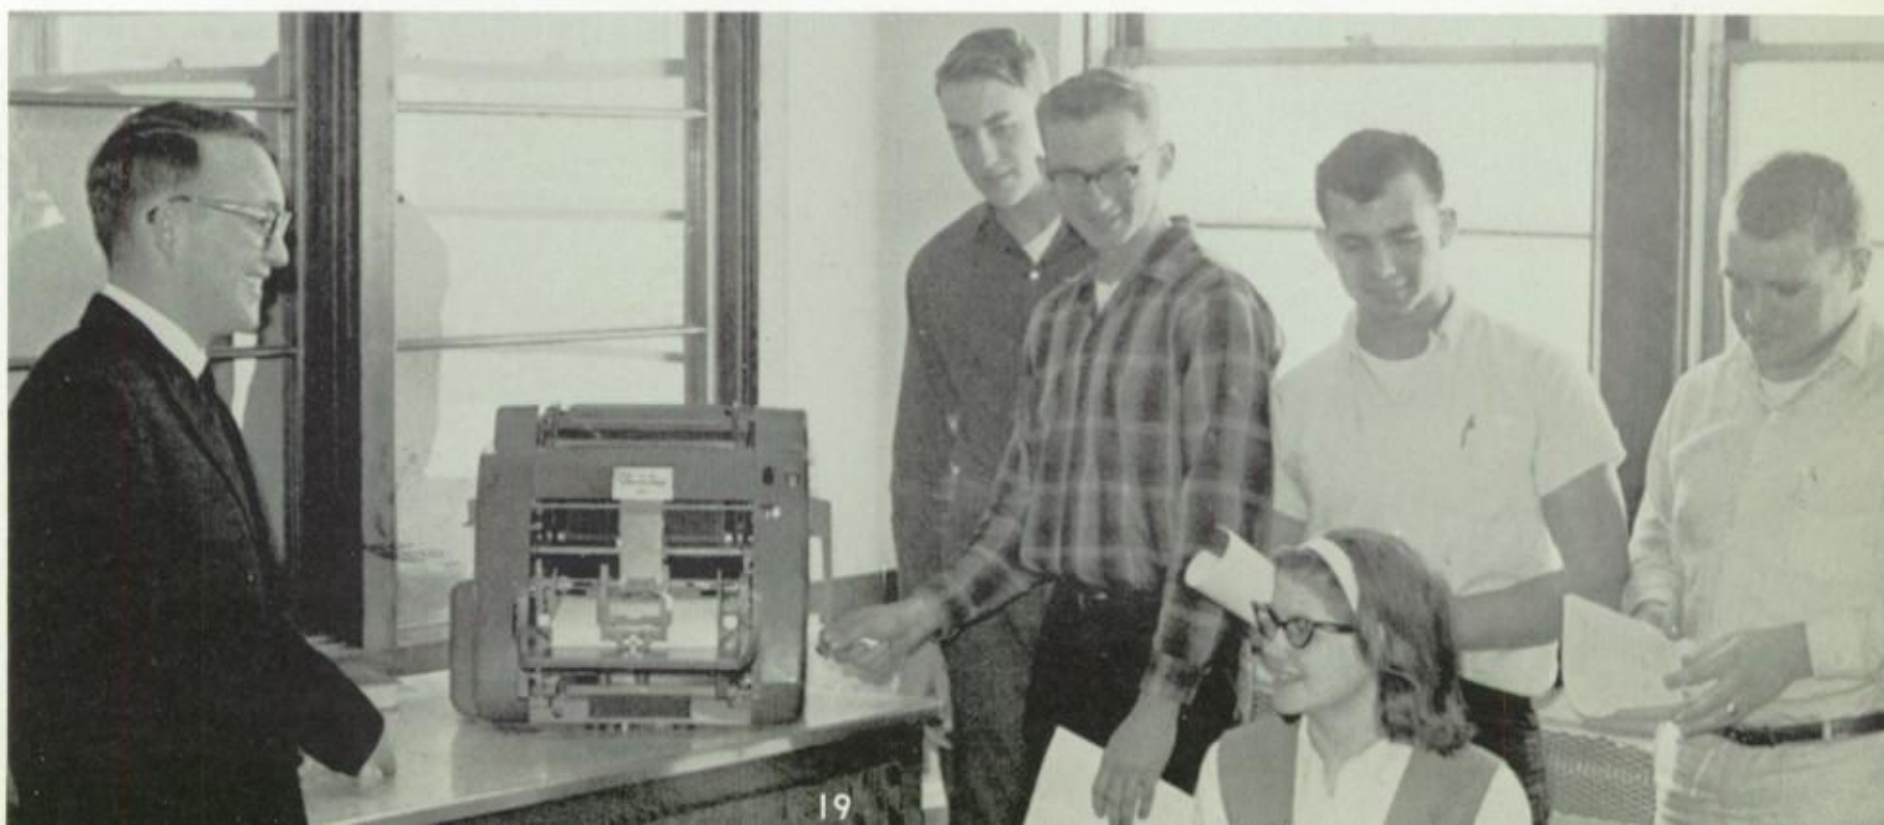

Charger News Published Monthly

Each month the paper staff meets to begin working on the next issue of the Charger News. News Editor, Barbara Goracke, makes the assignments and everyone starts gathering stories. Clarence Kennedy, Sports Editor, plans charts and stories to tell of the past and future sports events. Art Editor, Cherie Miller, begins drawing the covers for the paper, creating a crossword puzzle or making cartoons.

When all articles are in, Kenneth Artz, Chief Editor, assembles the paper. Now it is time for the entire staff to type stencils, run off the final copies and put the paper together.

HAPPY THAT the present issue is finished is: Mr. Dunlop, advisor; Leonard Rahjes, Richard Morgan, Bill Kline, Sandra Patterson, and Garen Diercks, staff members.

Agra Band Has Active Year

On October 3, 1964, Mr. Andregg, our director, led the thirty-two band members to Kearney, Nebraska, where we participated in the annual Band Day and Homecoming activities.

October 6, the band was traveling again. This time to the Old Settlers' Day Parade in Kirwin, Kansas. We were one of five participating bands.

The band was active at all home games except one, when our director had to be away. The spicy marches played by the band helped boost spirit.

AHS band attended the league band clinic March 9, 1965 at Kensington, which seemed to benefit all band members.

All in all, the band members have had a busy but profitable year. Mr. Jack Andregg, shown at left, has done much to make band practices more enjoyable.

Pep Club Promotes School Spirit

A new feature added by the Agra Pep Club this year is a contest held between the high school classes. Each yells a cheer separately, then the faculty judges them to determine which class yelled the loudest. The winner receives a five dollar award at the

end of the season.

The girls that have 120 points at the end of the year receive pep club awards based on the number of games attended, conduct at games, and the promotion of school spirit.

Charger Lettermen in Action

THE CHARGERS started out the season with high hopes. After two games the Chargers were much improved over the start of the season. Then disaster struck. Kenny Artz, our leading scorer and rebounder, was forced to the sidelines with an eye injury and was out for the remainder of the season. After this there were few bright moments for the Charger five. Among these moments were three victories over Kirwin. The bright moment of the season was the last league game with Gaylord in which the Chargers got revenge by beating the Beavers in over time.

Chapter 3 THE BEGINNINGS OF THE GOVERNMENT IN THE UNITED STATES

The roots of American government reach deep into the past. Our system of government did not suddenly spring into being as if the voice of some political prophet's wand. Nor was it pulled out of thin air by the

The Colonial Period

The English, Dutch, Norwegian, French, Spanish, and other Europeans arrived in North America at what was to become the United States. But it was the English who came to the largest number. And it was the English who came to control the thirteen colonies that stretched for a thousand miles along the Atlantic seaboard.

These early pioneers who cleared the wilderness and fought off the Indians had to look to their own future in the New World. For there came time to think of government.

Founding Fathers of Philadelphia in the summer of 1787 developed through long experience a constitution. We shall now review the main features of these beginnings.

One of the first things that the pioneers did was to set up a local government. They wanted to have a government that would be able to take care of their own affairs.

They wanted to have a government that would be able to take care of their own affairs. They wanted to have a government that would be able to take care of their own affairs.

They wanted to have a government that would be able to take care of their own affairs. They wanted to have a government that would be able to take care of their own affairs.

SETTLERS AT WORK

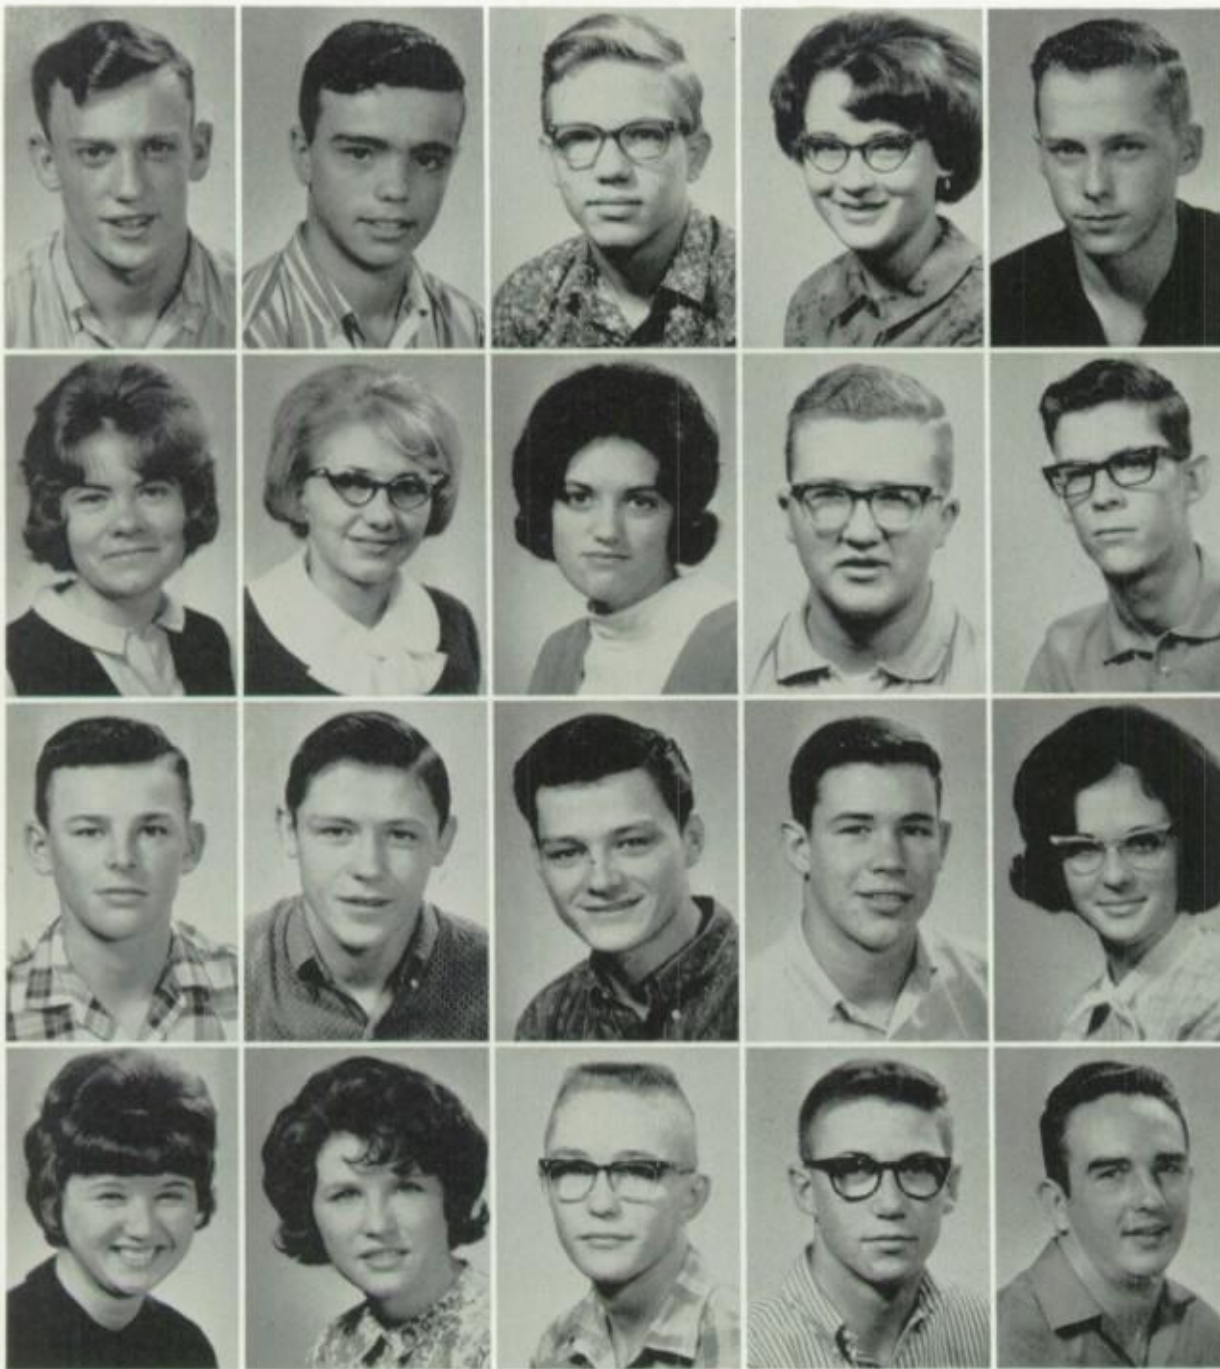

Early Americans had to live together in harmony, or they would not survive. They were called "government in action," the beginning of our government today.

of which are to be found today: courts, judges, jury, sheriff, constable, and justice of the peace, for example. And all of these were well known in England long before the first Englishmen ever heard of America.

(1) *The First Concept of Limited Government and Civil Liberties.* They brought with them, too, the twin ideas of limited government and civil liberties. That is, that government is not all powerful; that government is limited in what it may do, and, especially, that it is limited in the sense

that each man has certain rights that government cannot injure or take away. These great principles of freedom were proclaimed in such historic English documents as the Magna Carta in 1215, the Petition of Right in 1628, and the Bill of Rights and the Act of Toleration of 1689.

(2) *The Concept of Representative Government.* A third vitally important concept brought to America in English ships was that of representative government. For centuries there had been developing in England the

Chargers Lead League Tourney

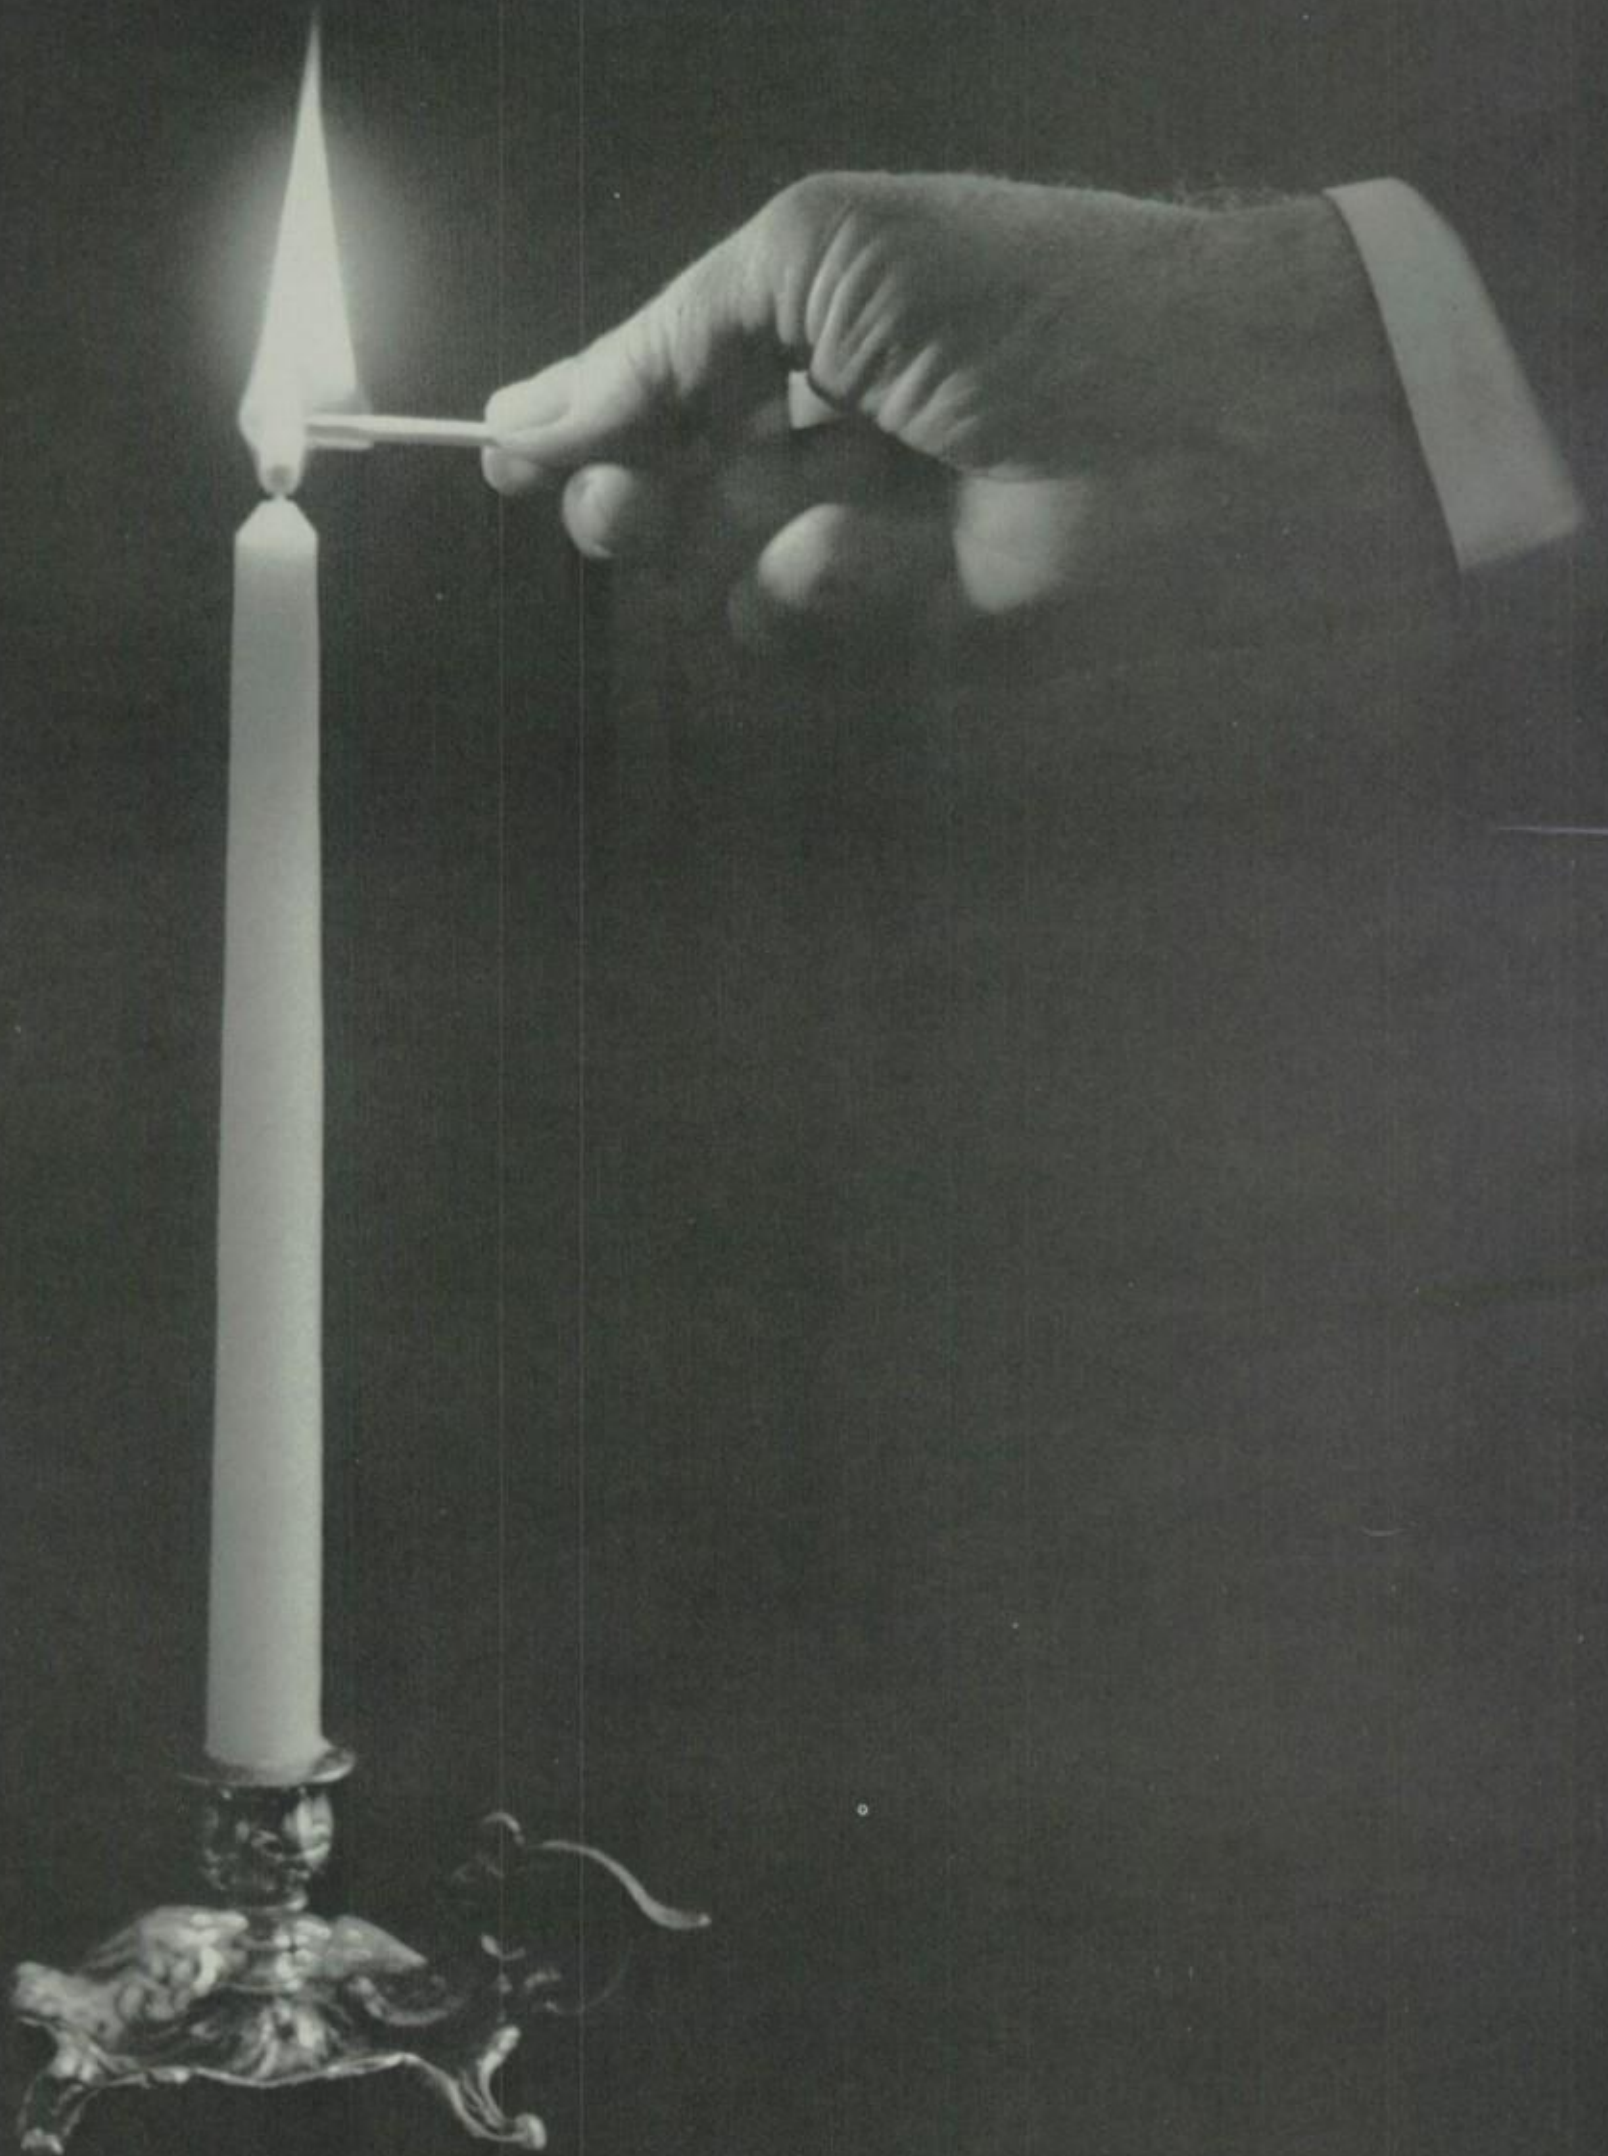

THE CHALLENGING SQUAD on the "B" team are very proud of winning the championship of the league. Its members are: BACK ROW: Richard Steinberger, Larry Vandiver, Kenneth Hadley, Jerry White, and Van Dettmer. MIDDLE ROW: John Buchner, Stanley Miller, Terry Elliott, Mark Kaiser, and Mike Losey. FRONT ROW: Roger Miller, Roger Baker, Robert Kaiser, Timmy Ehm, and Joe Goracke.

The 1965 Agra Grade Charger basketball team started off the season with the "B" team pushing out in front of the "A" team. They held the lead all the way through, ending the season undefeated. Meanwhile, the "A" team won two games - - one with the Portis Cubs, and one with the Kirwin Wildcats. Since the league tourney was held in the Charger's gymnasium, the home team had the advantage of playing on the home court. Through some very difficult and breathtaking moments, the "B" team pulled out in the lead and took first place, making them the champion team of the league.

ACCEPTING THE FIRST place trophy are the very excited and hard-working "B" team and the cheerleaders.

When you think of a high school, what do you see?
That's the picture that comes to me:

A high school is people - - teenagers and all.
It's assemblies and classes and a rush in the hall.
It's panic at grade cards; it's purple and white
It's thrills and excitement that always delight.
Suspense fills the hallways, and rivalry's keen.
All yearn for a scholarship; who will be Queen?
A high school means projects and clubs with their fun,
And everyone working til all tasks are done;
Tense moments at ball games - - - Will we win or not?
That Fightin' Charger spirit means more than we thought
What is a high school? What is its story?
We've told it here in all its glory.
